Contra Costa Community College District Bid No. 4CD-110
 CCC Food/Cafe Services RFP
 July 11, 2024
 ADDENDUM NO. 1

A. DELETIONS, ADDITIONS, CHANGES, REVISIONS, CLARIFICATIONS

- SECTION II "SUSTAINABILITY" (page 11) has been replaced with the below statement:

SUSTAINABILITY. On November 9th, 2022, the Contra Costa Community College Governing Board adopted Board Resolution 20B in support of Sustainability and Climate Action. This resolution adopted nine sustainability goals, which are in support of the 2019 California Community Colleges Board of Governors (BOG) Climate Change and Sustainability Policy and in support of the 2021 California Community Colleges Board of Governors (BOG) Climate Action and Sustainability Framework. The Framework refined the 2019 policy to reach further as well as extended the end target year by five years, putting it out to 2035. This framework aligns with current state policies and includes comprehensive goals for establishing benchmarks and meeting targets for reductions in greenhouse gas emissions, energy efficiency, water usage reduction, waste, transportation, food systems, and sustainable purchasing.

The Contractor should make every effort to support the District’s Energy and Sustainability Goals. The contractor shall follow SB1383, and use three waste stream bins provided by the college (landfill, recycle and compost). Any liners needed in the bins shall be provided by the contractor and will need to be approved by the college and the waste hauler. The contractor shall empty their three stream bins each day, in the dumpsters outside the building. Reusable containers and reusable utensils shall be used for “dine in” services. All “to go” containers shall be fully compostable. Contractor must ensure the three stream waste is sorted properly before placing into dumpster, to avoid possible campus penalties that may be imposed by the haulers. Contractor must train their staff in proper waste sorting and disposal as well, per SB1383. Contractor must also

 Susan E. Lamb Diablo Valley College
 Pamela Ralston, Ph.D. Los Medanos College

meet the food recovery requirements of SB1383, including having a contract and/or working with the colleges' contract with an outside vendor to recover food, as required. In the event of a contract renewal, contractor agrees to support the following sustainability goals:

Contractor shall track sustainable food services by 2025, increase sustainable food purchases to 20% of total food budget by 2030 and ensure 80% of foods served on campus meet the goals of the Real Food Challenge by 2035.

Please make sure to acknowledge receipt of this addendum by marking the addenda/amendments acknowledgment portion of the **SUMMARY OF PROPOSAL PRICING AND SIGNATURE PAGES (EXHIBIT A, page 20)** of the RFP.

All other facts and specifications to this bid remain unchanged.
