INVITATION TO QUOTE

Project Name: SRVC Boiler Replacement

Building/Location: SRVC

This is a:

Service Public Works or Maintenance Contract (see Labor Code Section 1720, 1771)

Public Works Projects, Including Contracts for Maintenance. Contractors and subcontractors performing work on District public works contracts shall pay prevailing wages as determined by the Department of Industrial Relations and adhere to all labor compliance provisions outlined in Division 2, Part 7, Chapter 1 of the California Labor Code §1720-1861 including, but not limited to, the reporting of certified payroll, payment of prevailing wages and the employment of apprentices. Prevailing wage determinations may be found at: <https://www.dir.ca.gov/oprl/dprevagedetermination.htm>

Quotes must be returned no later than: **10/18/21 2 p.m.**

Contractors own proposal form may be attached to the properly executed District Quote form.

Quotes can be E-mailed to: rherrera@4cd.edu, mailed, or hand delivered to CCCCDC, Attn: Rod Herrera, 500 Court Street, Martinez, CA 94553.

Note: Quotes will not be accepted unless the Quote form is provided as a scanned attachment with a valid signature.

XX Mandatory job walk: Contact is Gene Paris, 925 551-6265, gparis@dvc.edu.

Date: **October 1, 2021 at 9 a.m., Utility Building at West end of campus**

___ Contractor is presumed to have inspected the project site/conditions and is fully familiar with the scope of work prior to bidding. Phone: Jim Buchanan (925-969-4275) or April Doty (925-969-4282) to make an appointment to tour the site.

CCCCDC reserves the right to reject any and all Quotes and to accept The Quote which, in its sole judgment, best serves the needs and requirements of CCCCDC.

Quotes shall include all labor, tools, supplies, equipment, supervision, transportation and applicable taxes (including sales tax) necessary to accomplish the Scope of Work as detailed below. Attach special conditions, if any, unique to this Quote and/or the plan documents or specifications.

Submitted by: Jim Buchanan Director of Maintenance and Operations 925 969 4275

Date: **9/21/21**

SCOPE OF WORK

We had one of our Aerco benchmark boilers crack the heat exchanger, gas line will need to be rerouted as well as a new boiler installed.

PROPOSAL

____ Contractor to check this box if proposed scope of work or other documents are attached.

The CONTRACTOR shall furnish the DISTRICT for a total contract price of (including applicable taxes):

Materials \$ _____
