DRAWING NOTES:

General Notes:

These documents are for design intent and shall be used only as a guide to produce the finished sizes, appearances and functions shown. The sign fabricator shall be responsible to meet all CBC Title 24 code compliance specifications for tactile letter spacing, tactile letter dimensioning, and braille dimensioning. The fabricator / contractor shall be responsible for all structural, electrical, mechanical, foundation engineering, for all dimensions and familiarity with the site and the conditions it presents. GNU Group must be notified of any variations from the dimensions and conditions shown on this drawing. Shop drawings and details must be submitted to GNU Group for approval prior to proceeding with fabrication. All copy shall be proofread by client and any legal requirements checked by client's legal department.
