## Subcontractor Listing

H. Reference Section 4100, et seq., of the Public Contract Code: identify the name, and business address, and California contractor license number of each Subcontractor performing work (under this IFB) that has a value in excess of one-half of one percent of the Bidder's total Bid price, or, in the case of bids or offers for the construction of streets or highways, including bridges, in excess of one-half of 1 percent of the prime contractor's total bid or ten thousand dollars (\$10,000), whichever is greater. Also identify the portion of the Work that will be performed by such Subcontractor. After opening of Bids, no changes or substitutions will be allowed except as otherwise provided by law. The listing of more than one Subcontractor for each item of work to be performed with the words 'and/or' will not be permitted. Failure to comply with this requirement may render the Bid as non-responsive and may cause its rejection. List all such Subcontractors below, or on additional sheets, as required.

Or,  \_\_\_\_\_ Subcontractors will not perform work, provide labor, or render services in or about the work covered by this IFB (check and initial).
